Scheduling Requirements

**Please copy Michelle on any communications about orders that take place at 2003 (especially changes).

The terminal requires a minimum 48 hour lead time when scheduling your carrier's appointment. Please refer to the OQ order number when making the appointment.

* All drivers must have what is listed below. The plant will no longer provide those items at check in like they used too.

- Long pants and shirts with sleeves
- Cell phone to communicate with Security
- Hard hat
- Safety glasses with side shields

Please note: One of the below is required to enter to load:

Only the following valid, government-issued credentials are acceptable (with eligibility and cost established by DHS):

- A Transportation Worker Identification Credential (TWIC - <https://www.tsa.gov/for-industry/twic>);
- A Hazardous Materials Endorsement (HME - <https://www.tsa.gov/for-industry/hazmat-endorsement>) on a permanent or temporary Commercial Driver's License (CDL); or
- A permissible Trusted Traveler credential issued by U.S. Customs and Border Protection: Global Entry, NEXUS, SENTRI, or FAST (<https://ttp.cbp.dhs.gov/>).
