Collection of packed goods at De Rijke N.V. must be announced one day before the loading date until 2 p.m. via [draback@derijke.com](mailto:draback@derijke.com).

Before entering the terminal, drivers need to fill in and sign the 'Pre-Entry Information Form'. The link to the document is available on the OQ website.

For safety reasons drivers must have adequate language skills in either Dutch, French, English or German, otherwise access to the site might be denied.

Please also note the additional requirements for this site available on [www.chemicals.oq.com](http://www.chemicals.oq.com).

**Important information referring to required loading times at all OQ loading locations**

Unless otherwise agreed, all OQ loading locations require the following free loading times:

3 hours for regular loads (one product, one compartment vehicle)

5 hours for multi-compartment vehicles loading more than one product

3 hours per loading location for multi-compartment vehicles loading in different loading locations (e.g. loading one product in Oberhausen and one product in Marl)

For additional waiting time caused by OQ we will reimburse up to € 50,- per hour against a valid proof. Waiting time occurred due to lack of timeslot booking won't be reimbursed.
