Oxea is a global supplier of oxo-intermediates and derivatives such as solvents, polyols, carboxylic acids, specialty esters, and amines. These products are used for the production of high-quality coatings, lubricants, cosmetic and pharmaceutical products, flavorings and fragrances, printing inks and plastics. The company is an international market leader in the production of a variety of acetates, alcohols, amines, carboxylic acids, and butyraldehydes. Oxea has annual sales of about USD 1.5 billion and approximately 1,380 employees in Europe, Asia and the Americas. They are supported by an experienced sales team worldwide.

Further information about the global Oxea Group is available at www.oxea-chemicals.com.
